		benefits might merit such sacrifices.			
Purpose (Why)	Representation and a written law code are important features of democratic governments around the world.	The cultural achievements of the Romans continue to influence the art, architecture, and literature of today.	These ideas continue to be important to democracy today.	Democratic traditions developed in England have influenced many countries including the United States.	The Magna Carta was a stepping stone for ideas in our Bill of Rights in America today.
How: 1 to 1 Individualized Instruction Project Based 21st Century	Project Based question. Groups of 6-7 students will break down the question and find the details.	Project Based question. Groups of 6-7 students will break down the question and find the details. Groups are presenting their findings to the class using multimedia ideas..	Students will complete notes over Prologue two.. Students will brainstorm ideas for a	Students will work in groups and go over key ideas using book, computer and	Teacher Led, then Groups will break off into their B layered Application Projects. (Choice)

		Governmen t, Geography, History, Culture and Economics .	"B" layere d hands on Project .	teach er as sourc es.	
Assessment / Closure (Does it match your objective?)	Write three facts you learned related to your topic to review understanding.	Focuss on the Greek and Roman Governeme nt three facts America took from them.	Student s will complet e the Telesco ping the times review for Prologu e two.	List three medieval legal reforms in England that furthered democra cy.	Review the main points of the Glorious Revolution. Three facts on your closure paper.
