Dear Apache Junction Unified School District Parents and Families,

On Monday, June 29, 2020, Governor Ducey announced that Arizona schools in-person start date will be delayed until August 17, 2020. For the most up to date information regarding this announcement please visit the Office of the Arizona Governor's [website](#). My leadership team and I will be reviewing the [Executive Order](#) from the Governor's office and then communicating to our families what this will mean for planning for the start of the new school year for AJUSD students.

As you are aware the Return to School Task Force will update the governing board at the board meeting scheduled for July 7 at 6 p.m. This meeting will be held virtually and can be viewed live on Tuesday evening. A link for viewing that meeting will be shared on the district web page and through our Facebook page by Monday afternoon.

Surveys have gone out about learning models that AJUSD was planning on offering to our families to support the needs and choices of each home. At this time we are still gathering that data as we receive it and along with the new guidance shared with us yesterday, we will create a plan that we will share at the board meeting next week.

Thank you for your continued patience and support as we continue to balance the safety of our students, staff, and community with the challenges of educating our students during this unprecedented pandemic.

Sincerely,

Dr. Krista Anderson, Superintendent
